

Activity to celebrate the #codeweek and the #ErasmusDays

<https://codeweek.eu/>

<https://www.erasmusdays.eu/>

Description :

Create dialogs between characters to explain how Europe is important in our daily life. You would use the Kodu software to program the meeting of characters and dialogs.

Objectives :

- ✓ To Learn more about Europe and its benefits in student's life
- ✓ To be aware of your European citizenship
- ✓ To Code a program

How-to :

- ✓ Download Kodu at <http://www.kodugamelab.com/downloads/>
- ✓ Install the software on your hard disk.
- ✓ Start to learn how to start kodu by following this tutorial from 2'17 https://youtu.be/xwJD_XHGwPY?t=137
- ✓ Create the game <https://www.youtube.com/watch?v=yJ0zFq6pso8> to get familiar with the interface.
- ✓ Modify this game or create a new one fitting the objectives.
